Notice of Public Hearing

PLEASE TAKE NOTICE that the City of Lodi Plan Commission will hold a public hearing at the **Lodi Public Library, 130 Lodi Street**, Lodi, Wisconsin, on Tuesday, March 10, 2020 at 6:30 pm, to consider amendments to the existing General Development Plan for the Highlands of Ridgestone Planned Unit Development last amended on September 4, 2018, located in the area south of Sauk Street and west of Fieldstone Drive in the City of Lodi. The purpose of the amendment is to change three conditions of the Terra Vista Plat: 1) change Lot 37 (Terra Vista Phase 1 Plat) to provide emergency access to school recreational fields (no longer a single-family lot); 2) change the road layout of Mariahwynn Terrace to terminate at the top of the hill (and not connect to Sauk Street), revising the lot layout along this public street; and 3) add a shared private driveway along Sauk Street, giving access to five single-family lots. A copy of the amended GDP application is available at the City Clerk's office for public viewing during regular business hours. Questions regarding this issue should be directed to Steve Tremlett, City Zoning Administrator (608) 242-6621.
