

The Lodi Valley Chapter of the Ice Age Trail Alliance ended 2021 strong with guided hikes on the trails near the high school with a tyke hike (Santa, hot cocoa and cookies included), a full moon hike, and a New Years Day hike.

We received a \$2,000.00 donation from Lodi Utilities towards construction of a permanent kiosk/display at Doctors Park. This project is slated for 2022 in conjunction with the Lodi Parks Department. It will welcome visitors to Lodi and highlight Lodi's history, amenities, and being an Ice Age Trail Community along the Ice Ice National Scenic Trail. Content will be developed in the coming months. Thank you, Lodi Utilities/WPPI.
