**5. Financials**

Total all columns on the payroll report.

**6. Discussion and Possible Recommendation Regarding a Task Order Submitted by MSA for Assistance with the Primary School Stormwater Pond Conversion Project**

Stevenson explained the history behind this issue. Groves Lloyd discussed with Andy Zimmer from MSA and they are working with the DNR to assess how this has happened and what to do. Weter has been working with MSA regarding the issues that have occurred since it's been built. Tonn reminded everyone that MSA represented all parties involved (City, School & Developer) when this was constructed. Ayers gave history of past discussions during PW Utilities meetings. City staff reported that the city could fix this for about \$25,000. Tonn recommends that city staff and the DNR meet and discuss this issue without anyone else attending. Tonn is against contracting with the same firm that helped us get where we are. Ripp questioned if the inlet and outlet pipes could just be changed. Stevenson suggested Weter work on this with DNR and bring it back to PW Utilities committee.

**7. Discussion and Possible Recommendation Regarding Publicly Accessible WIFI Downtown**

Goethel explained the discussion that was had at Economic Development because vendors were having issues during different activities. The city cannot host this on our server. An RFP will be sent.
