Attended the Journey of Facilitation and Collaboration workshop Oct. 4-8

Intensive week of learning facilitation skills with a goal of being able to tap into the full potential of groups. Also honed skills on meeting planning and execution, and using multiple facilitation tools to garner group consensus and move initiatives forward. Was a fantastic and exhausting experience, and will improve my ability to engage staff, elected officials, and the broader community. Also attending was Sarah Keyeski, owner of Therapy Mudita and leader of the Lift Lodi Day of Service.

Meetings/met with:

- Pentecostal Church leaders
- President of the Golf Course Board
- Developer interested in Lodi
- School District Administrator (2x)
- Local faith leader
- Meeting re: flood plain w/local business owner & resident
- Leadership Team
- Local business owners

Attended an award presentation at Attwill Medical Supply – they received the Business Retention and Expansion award from WEDC

Have scheduled a retreat w/Leadership Team in January

Continuing to work on:

- Fire Station
- Strategic Plan follow-up and implementation
- Communication Plan
- Integration of plans & translate into goals moving forward
-
