Re: **Process Equipment Repair Services, Inc.** Proposal # 22-122
Removal of existing Tower Filter aerator fans and installation of new, like equipment

Dear Mr. Markart, Mr .Wickham,

Please find attached our proposal # 22-122 for labor to remove the existing two (2) aerator fans and install a new supplied Hartzell fans as described in the following documents.

Your request was to supply required machines, material and labor cost for stated services and supply all ancillary components and material as required.

Under the enclosed Proposal #21-122, **Process Equipment Repair Services, Inc.** will supply the components and labor to replace the existing with the listed new ones. Under this Proposal, all our services will carry a one (1) year warranty.

Please note that our services estimate is based on actual labor and expenses. The City of Lodi will only be charged and invoiced for the actual labor and costs associated with this project

If you have any questions or comments regarding the enclosed Proposal, or if you need additional information, please contact me at your earliest convenience. Thank you for your consideration and the continued opportunity to be of service.

Regards,

LaMont Albers, President
