Re: Request for Consent for a colocation  
UScellular Site: Lodi DT/786378

Dear Ms. Ayers:

UScellular is committed to working with others in the wireless industry to make maximum use of existing infrastructure, and thereby, help reduce the need for additional tower construction. In adherence with the Telecommunications Act of 1996, we are allowing Verizon Wireless to apply to collocate at abovementioned tower site we constructed on your land. We would like to accommodate their request, and pursuant to Section 20 of the Ground Lease between City of Lodi, and United States Cellular Operating Company LLC, dated June 20, 2001, we are requesting that you provide your consent of this arrangement by signing this letter.

Thank you for your cooperation in this matter, and should you have any questions please feel free to call me.

Sincerely,

Lauren Butzer
