ARTICLE XVIII Administration and Enforcement

§ 340-115. District boundary changes and text amendments.

- A. Common Council authorized to amend text and map. Whenever the public necessity, convenience, general welfare, or good zoning practice require, the Common Council may, by ordinance, after recommendation thereon by the Plan Commission, amend the regulations or change the Zoning Map. The Plan Commission shall submit to the Common Council its recommendations regarding all applications for amendments or changes within 60 days after referral to the Plan Commission.
- B. Initiation of amendment. An amendment or change, including a change of district boundaries, may be initiated by motion of the Common Council, by motion of the Plan Commission, or by filing an application therefor by owners of 50% or more of the area of the properties proposed to be changed.
- C. Application for amendment. Application for any change of district boundaries or uses shall be submitted to the Zoning Administrator, with a copy to the Clerk, upon such forms and accompanied by such data and information as is needed to assure the fullest practicable presentation of facts, as required by the Plan Commission.
- D. Notification of public hearing on amendment.
 - 1. Before submitting its recommendations on any amendment to the regulations or change in the Zoning Map to the Common Council, the Plan Commission shall hold at least one public hearing thereon pursuant to a Class 2 notice.
 - 2. When an amendment involves changes in district boundaries or classification, the Zoning Administrator shall send by regular mail, at least 10 days before the date of such hearing, written notice of such hearing to the owners of record, as listed in the most current real estate tax records, of all lands proposed to be changed and all lands situated wholly or partly within 200 feet of the perimeter of the subject property. Failure of any such owner to receive such notice shall not invalidate the proceedings.
- E. Plan Commission recommendation. The Plan Commission shall review the proposed amendment to the regulations or change in district boundaries or uses and render a decision thereon, analyzing the advantages and disadvantages of the proposal, based on the facts and circumstances, the Comprehensive Plan, and other information. The Plan Commission shall transmit a written recommendation to the Common Council.
- F. Common Council final action. After reviewing the recommendation of the Plan Commission thereon, the Common Council shall consider such recommendations and, if it decides to proceed, shall instruct the City Attorney to prepare an ordinance for subsequent adoption by the Common Council of the proposed amendment. If the Common Council so desires, it may order a second public hearing before the Common Council pursuant to a Class 2 notice.
- G. Waiting period between petitions. A denial of rezoning shall be a final determination for a period of one year that the development will not be permitted, unless the Common Council's order includes leave to amend. After the expiration of the one-year period, a developer may make a new application for the same amendment.
