City of Lodi Fall Leaf Pick Up Policy

The Fall leaf pick-up for the City of Lodi will begin in October. Residents can rake their leaves to the boulevard area for city pick-up. Leaf pick-up will continue periodically until the end of November permitting snowfall. Leaves will not be picked up curbside if they are in bags. Please keep leaves out of the gutter and do not mix branches and limbs in with the leaves. The vacuum cannot pick them up. The City does not have curbside pick-up of leaves in the Spring. Residents will be responsible for their own yard waste to be disposed of properly. The City's Compost pile is located on County Highway K (Columbus St.), ¼ mile on the left from the City limits.
